

Travelling internationally

Please refer to your organisation's travel policy in conjunction with current [Alert Level advice](#), prior to planning any travel. Full visa, border and quarantine requirements can be advised by your Travel Management Service (TMS) provider. For information on New Zealand Border restrictions please refer to this [link](#).

Travel suppliers are taking a number of steps to keep our travellers safe. The links below will take you to the supplier websites or to YouTube and will show details of what you can expect on board and in some cases at the airport.
